“There is a spirit and a need and a man at the beginning of every great human advance. Every one of these must be right for that particular moment of history, or nothing happens.”

“I’m fulfilled in what I do. . . I never thought that a lot of money or fine clothes -- the finer things of life -- would make you happy. My concept of happiness is to be filled in a spiritual sense.”

*May God wrap you in his loving embrace as he takes
you home....*

*The skies weep for the loss of your presence here on
this bitter earth, but our hearts rejoice as we know
you have gone on to peace..*

We love you Coretta....
